

# IN AND OUT OF THE SOUTH MEANS GETTING THERE 10 DAYS FASTER

## A REVOLUTIONARY APPROACH.

For the first time in the industry, Averitt has integrated an LCL service with an LTL network. The result? "Asia-Memphis Express," our new import LCL service from Asia. Through this innovative combination of ocean service and inland transportation, we can now provide unparalleled speed, delivery consistency and seamlessness on your LCL shipments – **all at a competitive price!**

## HOW DOES IT WORK?

The process is simple. We load containers in Asia and book them all the way to Memphis. After passing through the ports of Los Angeles and Long Beach, the containers immediately move to our Memphis service center. In Memphis, we deconsolidate the cargo and blast it through our LTL distribution network directly to your door.
